Retail Technology Conclave

Join us at the Retail Technology Conclave (ReTechCon) for a comprehensive exploration of the latest trends in retail technology. This event combines the depth of a masterclass with the breadth of a conference, offering unique insights and strategies to elevate your business and understanding of technology's evolving role in retail.

Get detailed insights and takeaways to help you improve in your role, as well as the big-picture vision you'll need to advance your retail function/business. Join experts, thinkers, disruptors and other stakeholders across the retail technology ecosystem for an unparalleled opportunity to learn, network and grow.

Celebrating India's Most **Innovative Retail Startups**

ReTech Start-up Awards have been instituted to celebrate the spirit of entrepreneurship. It is a recognition of all that it takes to turn dreams into realities & ideas into a viable business with immense potential. With their daredevil attitudes & unconventional ideas, start-ups are set to change the fabric of business & the world that we live in, to make it a better place. The awards, therefore, are an acknowledgment of this contribution & a salute to the spirit that makes it possible. It is the beginning of something, which we hope will inspire others to dream & dare in leverage the power of a new-age digital India.

The Recognition That Fuels the Future
